## EDUCATION

**University of California, Berkeley School of Education**  
Ph.D. in Education - Politics, Policy, & Leadership

Expected May 2031  
Berkeley, CA

**Harvard Graduate School of Education**  
Ed.M. in Education Policy & Management

May 2021  
Cambridge, MA

**The University of Chicago**  
B.A. in Public Policy Studies with General and Departmental Honors  
Honors Thesis: Additive Schooling for Asian Americans in Chicago Public Schools

June 2016  
Chicago, IL

## RESEARCH & PROFESSIONAL EXPERIENCE

### Mid-Atlantic Equity Consortium

Senior Data & Evaluation Consultant

Bethesda, MD  
July 2021-present

- Lead the quantitative data collection and analysis for equity audits and process evaluations for public school districts and nonprofit organizations
- Develop evaluation reports, infographics, and presentations for school boards, advisory committees, and other audiences detailing the progress and results of MAEC's evaluations
- Conduct literature reviews on a wide range of education topics, such as culturally sustaining pedagogy, restorative discipline, and school climate measures
- Organize professional development sessions where evaluation team members and other staff at MAEC learn about promising practices in survey design, interview protocols, and other topics related to research methods

### Professional Education at the Harvard Graduate School of Education

Program Development Intern

Cambridge, MA  
February 2021-May 2021

- Designed and administered a survey using Qualtrics to examine how educators use social media for professional development and develop research-based recommendations for improving PPE's portfolio of online courses

### UNESCO Asia-Pacific Centre of Education for International Understanding

Research Assistant

Seoul, South Korea  
October 2020-December 2020

- Assisted the Office of Research and Development with the English translation of APCEIU's publication titled "Emerging Issues in Times of the Multiple Pandemics: The Korean Experience"

### Institution for a Global Society

Curriculum Development Manager

Tokyo, Japan  
November 2016-February 2019

- Developed and taught Content & Language Integrated Learning curricula for middle and high school students on psychology, anthropology, and economics, raising student enrollment by 100% over a period of 6 months
- Trained incoming teachers and interns on how to promote deep learning, manage a classroom, provide meaningful feedback, and teach English as a foreign language
- Directed the implementation of Remind, a communication app for schools, to increase parent engagement and foster a more collaborative culture among students and teaching staff

### Urban Education Institute

Client Service Associate & Research Assistant

Chicago, IL  
January 2015-May 2015, January 2016-May 2016

- Supported the administration of the 2015 and 2016 5Essentials, a diagnostic survey that helps schools identify organizational strengths, by advising school administrators, teachers, and parents across six U.S. states

### Edovo

Content Development Intern

Chicago, IL  
September 2015-December 2015

- Created an introductory course on digital literacy with an emphasis on career building skills, which was provided to incarcerated individuals at over 150 correctional agencies in the U.S. through secure tablet technology

### New York City Department of Education

Special Education Policy Intern

New York, NY  
July 2015-September 2015

- Wrote policy memos concerning students with disabilities, such as accounting for gender identity when designing

Individualized Education Programs and providing porter service to transport students in wheelchairs

### **Behavioral Insights and Parenting Lab**

Research Assistant

Chicago, IL

January 2015-May 2015

- Collected data on the reading habits of Hispanic families to evaluate PACT, a behavioral intervention aiming to increase the amount of time that disadvantaged parents spend reading to their children

### **The Crime Lab**

Research Assistant

Chicago, IL

October 2013-December 2014

- Collected data for a randomized controlled trial evaluating Becoming a Man (BAM), a CBT-based intervention improving the life outcomes of male youths from underserved Chicago neighborhoods

## **TEACHING EXPERIENCE**

---

### **Harvard Graduate School of Education**

Graduate Teaching Fellow

Cambridge, MA

May 2021-August 2021

- Facilitated the foundational virtual course How People Learn, with a student enrollment of over 500 students, by organizing virtual events, evaluating student assignments, and providing recommendations to improve the course
